## **MOBILE LICENSING UNIT PARTICIPATES IN PREPAREDNESS FAIR**

*~Florida Licensing On Wheels delivers services and promotes safety~*

**JACKSONVILLE** – The Florida Department of Highway Safety and Motor Vehicles is pleased to announce its participation with the City of Jacksonville Office of Emergency Preparedness as the Florida Licensing On Wheels (*FLOWmobile*) will be at the Preparedness Fair on July 17, 2010.

The special event will take place at The Potters House Christian Fellowship in the Old Normandy Mall on 5119 Normandy Boulevard. *FLOWmobile* hours of operation this Saturday will be from 10 a.m. to 1 p.m.

*FLOWmobiles* are equipped with the technology and ability to bring valuable motorist services directly to customers. They provide a convenient method to renew a driver license, change a name or address on a driver license, get an identification card, and renew vehicle registrations. *FLOWmobiles* also offer the Department's newest safety initiatives through Emergency Contact Information registration and safety campaigns by the Florida Highway Patrol. The Department encourages everyone with a Florida driver license or ID card to register their Emergency Contact Information. The information can then be accessed only by law enforcement officers to find designated contacts in the case of an emergency, such as a vehicle crash.

Customers who wish to obtain a driver license or ID card must bring documents to show proof of:

1) identification, 2) Social Security number and 3) residential address (two items). Customers who have legally changed their names must bring additional documentation. To find out exactly what you need to bring with you, visit [www.GatherGoGet.com](http://www.GatherGoGet.com) or call (850) 617-3995. *FLOWmobile* staff will assist customers who do not have the required documents on hand by explaining what documents they need and how to obtain them. In addition to cash and personal checks, the Department accepts the following credit cards: MasterCard, American Express and Discover.

The Florida Department of Highway Safety and Motor Vehicles provides highway safety and security through excellence in service, education and enforcement. The Department is leading the way to a safer Florida through the efficient and professional execution of its core mission: the issuance of driver licenses, vehicle tags and titles and operation of the Florida Highway Patrol. To learn more about DHSMV and the services offered and to request a *FLOWmobile* for your event, visit [www.flhsmv.gov](http://www.flhsmv.gov).
